Application for the Forestry Equipment And Working Capital Loan Fund

Program Description

The Forestry Equipment and Working Capital Loan Fund has been established by MARBIDCO to help meet the unique financing needs of Maryland’s forest products businesses with respect to working capital and equipment purchases. This program makes available low-interest loans to qualified applicants for working capital and equipment purchases. A major aim of this program is to help forest products-related businesses innovate and better exploit emerging market opportunities. Another important objective of this program is to complement the financial services offered by private commercial lenders by helping to make rural business financing both available and affordable.

Because of the highly leveraged nature of many forest products industry businesses, MARBIDCO’s maximum outstanding aggregate portfolio balance under this loan program cannot exceed a total of \$400,000. Because of this limitation, please contact the MARBIDCO office for guidance prior to completing an application. In a special effort to better serve the forest products industry in Maryland, MARBIDCO will utilize slightly more liberal underwriting guidelines than normal for making loans under this program (including the utilization of a minimum cash flow coverage ratio of 1.0/1.0, as well as partially relaxed collateral security requirements, where appropriate). MARBIDCO will make and service all loans under this program, but a letter of referral from a commercial lender is required as part of the application process.

Loan Terms and Conditions

Maximum Loan Amount:	\$150,000
Equity Requirement:	Typically, 5-10% of a project’s total cost.
MARBIDCO Interest Rate:	Will be established on a case-by-case basis based on the level of anticipated credit risk. The minimum interest rate for any loan made under this program will be 6.25%.
Loan Origination Fee:	1% of the loan amount.
Loan Terms:	Equipment: 3 to 6 years. Operating Line: 1 to 2 years.
Commercial Lender Participation:	A commercial lender must participate in the application process by providing a letter of referral. An attachment to be completed by a financial institution describing current loan obligations is found near the end of this application form.
Personal Guarantee:	Required. All loans made to a business entity must be personally guaranteed by the owners of the business.
Application Submission Process:	All applications must be originated by the applicant. Cooperative extension agents, Maryland Forest Service, county agricultural marketing officials, and other business professionals may assist in the development of applications. Applications are processed as they are received.
USDA-RD Participation:	Loan requests to be funded in part by USDA-RD resources must be approved by USDA-RD. MARBIDCO will make the determination as to which loan requests need USDA-RD approval based on their eligibility criteria.
