Application for Maryland Livestock Processing Equipment Grant Program

Program Description

MARBIDCO has established the Maryland Livestock Processing Equipment Grant Program to help assist with the expansion of livestock processing capacity in Maryland. This program offers grants to eligible applicants to purchase livestock and meat processing equipment and/or upgrade facilities to help increase production in Maryland, with a particular focus on large animal and blue catfish processing. (Smaller scale poultry processing projects may also be eligible.)

For the Maryland Livestock Processing Equipment Grant Program, MARBIDCO will contribute up to 50% towards the eligible costs, with a maximum grant award amount of \$50,000 for USDA-inspected slaughter facility projects (including meat and blue catfish processing), and maximum grant award amount of \$20,000 for other USDA-inspected facilities, custom-exempt processing, or mobile processing projects.

Eligible applicants include individuals and businesses who currently operate livestock and meat processing enterprises in Maryland, as well as those that can start such operations by no later than December 15, 2023. These applicants can include sole proprietorships, partnerships, cooperatives, corporations, or LLCs.

Eligible expenses: Grant funds (and matching funds paid by the applicant) must be used to purchase livestock and meat processing equipment for USDA-inspected facilities, custom-exempt or mobile processing projects. Livestock processing equipment items purchased prior to October 1, 2023, are not eligible to be reimbursed using these grant funds.

The Maryland Livestock Processing Equipment Grant Program application deadline is December 1, 2023.

For more information about the Maryland Livestock Processing Equipment Grant Program, contact Sierra Criste, MARBIDCO Financial Programs Associate, by email at scriste@marbidco.org or by telephone at (410) 267-6807.
